Project Serve is an opportunity for students to grow in their relationship with God, to form and strengthen bonds with peers, and to serve the mission of Jesus to all people. This year we will be serving in Atlanta, Georgia.

Each year we head to a different location to partner with various organizations and serve local communities. Each student is responsible for raising the funds needed for the trip and securing friends and family for support. **Please note that all funds for Project Serve are due by June 2nd.**

If you would like to contribute prayerfully, please join us in praying as we lead up to this trip, but especially while we are on this trip. Specifically,
